

I am strongly requesting that the FCC does not implement changes that would affect the current operation of K-LOVE FM radio. In this time when some teen violence is blamed on music lyrics, K-LOVE offers an atmosphere by which I have witnessed many a teen and young adult turn from a life of complacency or belligerence toward society actually become of use to others around them by the uplifting and motivating lyrics on K-LOVE. Families, such as mine, never have to worry about offensive material with K-LOVE. Hurting the viability of this station would be hurting families like mine who ONLY listen to and support K-LOVE, and others in the community who are looking for an uplifting alternative to the junk that is out there on the airways. Thank you in advance for your time and further promotion of K-LOVE FM radio.
